BIG OFFER.

We call the attention of our readers to a remarkable club offer we are making in another column for the winter's reading. We are offering a value of $2.00 for $1.00. We hope all our old friends who have gotten in arrears will take advantage of this offer and pay up in advance for the paper. Be sure to read the offer.

The last opinion of the Court of Appeals before adjourning at 4ich mond yesterday was to reverse the court of Norfolk City in the matter of the payment of poll taxes. The court says:

"We are of the opinion, therefore that the Law and Chancery Court erred in sustaining demurrer to the petition of the plaintiff in error for a mandamus and in dismissing the case. Its judgment therefore, must be set aside, the demurrer or return and the cause remanded to that court with directions to grant to the relief prayed for unless the defendant has made and filed under section 33 of the constitution, as construed by this court in this opinion.

The opinion discusses the case fully, says that much power is vested in the treasurer, and says that it is the clear intent of the constitution and the statutes that each voter shall pay in person the amount of his poll tax in order to qualify for exercise of the right of franchise."

This question is settled now for all time, that if you desire to vote you must pay your own taxes in person to the treasurer or his deputies. Voters will take notice of this and qualify themselves for the elections in future or your treasurer may be compelled to leave your name off of the eligible list.

Andersonville.

Well I told you so. Told what? About Somerset, Mann and Company nominating and confirming Judge Rhea, that they were not so popular as they use to be. I am so sorry about Judge Mann. For twenty years or more I have been singing his praises. He has been such a faithful worker against whisky. Who was it that said when the wicked rule the nation mourns? Virginia has been mourning for a number of years over thousands of dollars spent investigating, and all of it since we got rid of the negro vote. Something wrong somewhere. Politics ought not to be carried into the whiskey business or religion, but both ought to be carried into politics. I can't stop just here until I take off my hat and give three long, loud hurrahs of the old Confederate kind to Wickham, Strode, Capt Bullitt and Nobel too. Plenty of good men in Virginia to fill the offices of the Montague, Staely, Tucker, Glass type, let's have them.

I see in the Journal (and by the way I like the A. and B. TIMES. It is a first rate paper—editorials just first class) that we had in the tenth district a ballot like the Scott and Bristol ones. I never heard of such before. It was certainly not in Buckingham. Bro. Johnson must be taistaken; some other district.

The roads, the roads. Two very nice gentlemen, the post master at Evergreen and Inspector Mathews spent the night at Andersonville last week. We like them both but it will be a long time before they come again if the roads remain as they are. Bro Supervisor, borrow fifty or a hundred thousand on the best terms you can for thirty years, commence at Canton and go through the county west; at Ho vardsville and go through South with good road bed on both roads.

News came this morning of the death of Mrs. Jennie Chick, nee Forbes. How sad, just in young womanhood. She left several children. She was a member of Bethel church Last summer when she was there we all thought she looked so fresh and well, in fact several said she was prettier than they had ever seen her. She paid her assessment and did it so cheerfully, Just a few weeks ago she sent several dollars she had gotten in to aid the Ladies Aid Society. We shall miss her in the church, but oh, how much she will be missed by husband and children. My heart bleeds for the husband, having passed through the same affliction. Let us say with the psalmist, "the Lord gave and the Lord has taken away, blessed be the name of the Lord."

I am so glad that Judge Hall will have to continue to pay his capitation tax. He can certainly afford to do it as he drew one of the capital prizes May he live long and be happy.

We have a new store opened up in the last few weeks. Hope Reece will do well. The style of the firm is M. J. Morgan & Co. Mr. Albert Baldwin who had a store at Curdsville said when Crute Garrett opened a large store across the road from him that where there were more dead carcases you would see the largest number of buzzards. I see some birds flying this way I had not seen before.

I must tell you about Eddis McCraw being at home and how near his little boy came being burned to death a few weeks ago. The little chap is nearly well now, up this morning for the first time since being burned. He has such pretty black eyes and he is going to be one of the big men of Buckingham is my prediction.

I am so glad that Judge Mann did such faithful work to get the whisky out of the way of our boys. I know of several young men, the sisters of any in congress in intellect whose hop s are blasted. Love of whisky and its effects caused it. Don't carry the whiskey business into politics.

Hurrah for Bryan. I am planning to hear him on the 25th.

Prospect.

Our friend from Illinois, Mr. John Hopkins is merry and contented and continues to pay the Old Dominion the highest tribute of praise and is filling the virgin forest for a part of his crops and beckoning to his friends to join the gladsome throng in the garden spot of the world, "Old Virginia" and "still they come."

Our esteemed neighbor and friend Mr. P. A. Pugh has been sick for a long time and his son, Charlie is here to minister to his every nee'.

What has become of Curiosity? Uncle Billy and Uncle Van and Mr. S. ? I suppose they are contented and are now digging in the sand.

We are not in favor of class legislation or anything of the kind and not disposed to do hurt to Judge Mann, but for goodness sake somebody repair the roads. Nothing but rock will do. It is a sad fact our district, Buffalo, has not one yard of macadam in it and has the largest voting population. All the others have some rock roads.

Spring Mills.

Some plowing has been done for this year's crop but the farmers are somewhat behind with their work, owing to the quantity of water in the earth the soil could not be plowed.

Many of our farmers are busy preparing plant beds, while others are sending off their last year's crop.

I believe the supply from the poultry yards of this section is above the average from the quantity of eggs being sold from this section.

Very little gardening has been done yet but it is very probable there will be some of it done this week.

Mr. Norman Cheatham is ill.

Mrs Willie Harvey has a sick child.

Mr. Sam Martin is critically ill of consumption.

Mr. J. H. Morris, accompanied by his daughters, Misses Lena and Elihu, visited his daughter, Mrs. Floyd Ramsey, of Charlotte county last week.

The bridge across Falling River has been completed and is now awaiting the construction of the new road before it can be used.

Mr. and Mrs. J. B. Chilton were the guests of Mrs. S. T. Morris this week.

What has become of our Hebron correspondent with her spicy items? We would be glad to hear from her.

"Bic" the button man, who has "never made a mistake," says the tickets will be Taft and Hughes against Bryan and Johnson, and is getting his buttons ready accordingly.

A Mineral Water that Defies Drugs
NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants are in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery,** and above all, that dreadful disease **Scrofula,** which has almost baffled human skill, or **Diseases peculiar to Females?**

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what Nature thinks you should take when sick, and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics,** could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of **25** gallons of the average natural water—Then **why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar.** The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases numerated above, and many more, evidently through its action as a powerful **BLOOD TONIC.**

We have many valuable certificates, which we will be glad to mail to you are interested.

It is a true time to begin to enlarge your carpet bester.

According to the Houston Post, a man in that town has come home lately eight nights in succession for a different explanation each night, but not generally satisfactory. A man like that really ought to be in the diplomatic service of his country.

No Harm but Much Good.

Is the following by shaking a bottle and take in teaspoonful dose after each meal and time.

Red Extract Dandelion, one-quarter; Compound Kargon, one-quarter; Compound Syrup Sarsaparilla three ounces. A fond ...ture of the authority that these simple harmless ingredients can be mixed at a nominal cost from our druggists.

A mixture is said to cleanse and soothe the clogged and inactivated ways, overcoming Backaches, Nervousness and Urinary Troubles of all kinds, if taken before the stage of Bright's disease. Those who have tried this say it truly overcomes pain in the back, clears the urine of sediment and regulates uridation, especially at night, during even the worst form of bladder weakness.

If man or woman here who that the above ingredients are not, or acting in a healthy manner could ask this prescription at and give it a trial, as it is said wonders for many persons.

The teachers meeting last Friday was well attended and a great deal of interest was manifested. Teachers were here from all sections of the county. The meeting during the day was held in the school building. At night a large crowd assembled at Liberty Baptist Church. Addresses were made by Mr. Eggleston, of Richmond, State Superintendent of Schools and Mr. Thomas, of Lynchburg. Mr. Eggleston spoke at length, criticising the poor school facilities in Appomattox and pleading for better school buildings. The addresses were listened to with attention and may result in much good.

Last Saturday about 2 o'clock Mr. Joe LeGrand, who lives near town was badly wounded by a pistol shot. He and a young man, Jo el Morris, were covering some plant beds; there were several boys in the crowd. Young Morris had a pistol and was snapping it at different ones, not thinking it loaded. Mr. LeGrand told him to stop it, as he might hurt some one. He turned the pistol on him saying, "I will shoot you." Instead of the pistol snapping it had a cartridge in it which expired, the ball striking Mr. LeGrand just above the knee, ranging up and lodging in his thigh on the opoite side from where it entered. He was taken home, a physician summoned who dressed the wound. There is nothing serious on the wound, but it will keep him lame for a week or so. Another result of fooling with "unloaded" fire-arms. The shooting was entirely unintentional.

Messrs. Babcock and Moses were the successful bidders for the Appomattox Warehouse Saturday, and they promise better service to the patrons of the home market for 1908 than they gave for 1907. A great many of our lady friends in performing their culinary duties have to close one eye and if the fumes from this odiferous vegetable generally gets in their eyes, and causes them to water and feel sore. Wedding Anniversary Celebrated.

On Thursday night at the palatial home "Stanwood," of Mr. and Mrs. John Randolph Atwood here from 9 to 12 o'clock the anniversary of their marriage 20 years ago was celebrated in royal style. A large number of invitations had been sent out and a large attendance of old friends of the couple were on hand ,to congratulate and wish them well. Many came from a distance. The house was beautifully decorated with potted plants and cut flowers, and in the centre of the parlor a beautiful marriage bell swung, beneath which Mr. and Mrs. Atwood received their guests, being assisted by her two pretty daughters, Misses Edyth and Virgilia and her father and mother, Mr. and Mrs. J. L. Chernault. At the door Little Jacquelin and Lyndon received the guests and ushered them into the parlor. The manner of these pretty maids and the grace with which they performed their functions elicited much comment. In the spacious hall the ever-popular punch bowl was stationed; it was presided over by Mrs Robert Freear, of Farmville assisted by Mrs. Clara Harvey of Lynchburg. In the library the handsome presents were displayed, among them cut glass, beautiful decorated china, Dutch effects and hand painted pieces and Japan art pieces. Miss Virgilia Atwood was assisted in receiving the guests in the library by Mr. Robert Harvey.

In the dining room where the bidden desires of all the men yearned to be, bright lights shone forth from 20 candles tastefully arranged in antique sticks of ye olden days with sparkling chandeliers. A candle was burned for each year of the wedded life. Here Mrs. Charles W. Hancock conducted affairs, assisted by Misses Edyth Atwood and Nellie Harve ; a royal supper was dispensed.

An Italian orchestra from Lynchburg made music for the occasion.

The affair was distinctly the brightest and most enjoyable social event of the season and the regret is that Captain and Mrs. Atwood will have no more china weddings

The Silver Tea whice the Ladies Aid Society held at the home of Mrs A. F. Drinkard last Friday night was quite a success. They realized the neat little sum of $6.30. Four dollars was taken in as voluntary contributions at the dining room door. The balance was for ice cream and cake which was sold later on in the evening. The pinning of the donkey tail afforded a great deal of amusement to both young and old. Mrs Jas Bell secured first prize and Mr Fletch. Moore the booby. The society extends many thanks to all who in any way helped to make the entertainment a success as well as a pleasure to all.

Miss Dundee Martin, of Farmville who has been visiting her uncle, Mr. John Barge, for the last six weeks, will leave for her home today.

Mr. Wm Overton, of Beckham, who has been ill so long is gradually getting weaker and it is thought he cannot last much longer.
